A History Of Russia Volume 2: Since 1855 (Anthem Series on Russian, East European and Eurasian Studies) Walter G. Moss

Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects. He has also brought the history up to date by revising the post-Soviet material, which now covers events from the end of 1991 up to the present day. This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US, Canada and around the world.
