Dual Language Development & Disorders: A Handbook on Bilingualism & Second Language Learning, Second Edition (CLI) Johanne Paradis Ph.D., Fred Genesee Ph.D., Martha Crago Ph.D.

As more and more dual language learners enter the school system, now's the ideal time for this second edition of the bestselling textbook—essential for preparing SLPs and educators to work with young children who are bilingual or learning a second language.

This comprehensive, student-friendly text takes the popular first edition to the next level, enriching it with 6 years of new research and the latest guidance on best practices. Dispelling the many myths about dual language development, the expert authors arm future professionals with the information they need to support young bilingual children and their families, all while meeting Head Start's guidelines on cultural and linguistic responsiveness. Preservice professionals will get a solid foundation of knowledge to help them

- address reading impairments in dual language learners (**NEW CHAPTER!**)
- minimize barriers to language development in internationally adopted children (**NEW CHAPTER!**)
- give children continuous, consistent, and rich exposure to both languages
- recognize the typical stages of second-language learning
- determine when a language delay is the result of an actual disorder
- prevent attrition of the child's first language
- make appropriate decisions about the schooling of dual language learners
- understand code mixing and successfully factor it into language assessments
- apply effective assessment strategies to accurately diagnose language impairments
- plan interventions that are culturally appropriate and respect the child's identity
- address parents' concerns and help them support their child's development in both languages

Undergraduate and graduate students will also benefit from detailed profiles of dual language learners, definitions of key terms, and summary sections that juxtapose key points with their implications for effective practice.

With the clear information in this state-of-the-art textbook—also a valuable resource for in-practice SLPs and educators—professionals will be ready to make informed decisions that help young dual language learners thrive, both at home and in the classroom. *Dual Language Development & Disorders* is a part of the Communication and Language Intervention Series

See which domain of school readiness in the Head Start Child Development and Early Learning Framework this book addresses.

Jose Suh:

Spent a free chance to be a fun activity to complete! A lot of people spend their sparetime with their family, or their friends. Usually they undertake activities like watching television, going to the beach, or picnic inside the park. They actually do ditto every week. Do you feel it? Will you do something different to fill your personal free time/ holiday? Can reading a book be an option to fill your free of charge time/ holiday. The first thing that you'll ask may be what kinds of publication that you should read. If you want to attempt to look for a book, maybe the e-book titled Dual Language Development & Disorders: A Handbook on Bilingualism & Second Language Learning, Second Edition (CLI) can be an excellent book to read. Maybe it might be the best activity for you.

Fay Harris:

Exactly why? Because this Dual Language Development & Disorders: A Handbook on Bilingualism & Second Language Learning, Second Edition (CLI) is an extraordinary book that the inside of the publication is waiting for you to snap it but later it will distress you with the secret the item inside. Reading this book close to it was a fantastic author who also wrote the book in such a remarkable way that makes the content inside easier to understand, in an entertaining way but still conveys the meaning completely. So, it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of gains than the other books have such as help improving your expertise and your critical thinking approach. So, still want to hold off having that book? If I were being you I will go to the e-book store hurriedly.

Deanna Marcantel:
