To a Mormon, happiness may be Family Home Evening, and families may be forever, but becoming an actual god is the ultimate goal of every member of the church. Mormons believe the reason for coming to earth from the planet near the great star Kolob is to gain bodies for our spirit beings and to be tested. To become gods, they need to be Mormons, to go through the temple to learn the signs and tokens for entry to the celestial glory and to be obedient unto death to the holy prophet. Everything else is tied to, and wraps around, this one goal.

Today, Mormon Mitt Romney is a major candidate for the White House. A man who would be god. An entire chapter is devoted to the Mormon Plan for America and the rise of Mitt Romney. It is a warning and a must read for every Christian.
