In the near future, the vast majority of "Baby Boomers" will be on the verge of retirement - and looking to cash in on their retirement plans. This will be a major drain on cash reserves for which no-one is ready and there's every chance that peoples' lifelong savings will dramatically lose their value. Now for the good news: sensing this financial crisis is in the offing, Kiyosaki and Lechter provide a detailed financial plan aimed at helping forward-thinking people prepare for the worst - and they urge that one must start planning NOW! They cover a variety of alternative ways of generating wealth through other forms of investment, including real estate, self-employment and investing in companies.
