Roundfire Legends: Inspiring Stories of Suburban Souls and Other Thugs (The Roundfire Legends Archive) (Volume 1) Gregory Patrick Travers

A combination of short stories revolving around the darker side of suburban life. This one is definitely not for the kiddies. Grab a glass of wine and enjoy these tales of sex, crime and cocaine. Between a look into the mind of a young man on the verge of suicide to in the bedroom with a John and his call girl arguing over what makes a man. Flip through to a story about a dark vigilante fighting for the homeless on the wet streets of Vancouver or into the mind of a woman who struggles coming to terms with her infidelities. But it's not just all violence and sex, far from it. Each story ends with our characters going through a personal journey that changes their moral fabric and strengthens their ethics, showcasing the passion of the human soul.

Written by Gregory Patrick Travers, creator of short story website www.roundfirelegends.com. This young man has spent most his years between the street corner and the bar stool which is reflected in his stories and blur the lines between fiction and autobiographical. His social commentary mirrors a modern day Charles Dickens with the exception that these stories are a very easy read and one does not have to be an avid reader to enjoy their messages.
