THE BOOK OF WERE-WOLVES & A BOOK OF GHOSTS (Timeless Wisdom Collection 1775)

SABINE BARING-GOULD

This volume contains the two best known works, both controversial, of one of the most mysterious women of the 19th century, Sabine Baring Gould.

THE BOOK OF WERE-WOLVES (Being an account of a terrible superstition), goes deeply into the analysis of this myth (is it a myth?) throughout history, citing hundreds of books that have mentioned were wolves in dozens of different cultures around the world. This book is a classic on a subject that is again, terribly trendy; and has become one of the most frequently cited folkloric studies of lycanthropy.

- A BOOK OF GHOSTS. This very late Victorian - turn-of-the-nineteen-century ghost stories, contain several stories that have been considered by critics and readers as "creepy", "preachy", and some as "downright funny". A very interesting read.
