Confetti Girl Diana Lopez

Apolonia "Lina" Flores is a sock enthusiast, a volleyball player, a science lover, and a girl who's just looking for answers. Even though her house is crammed full of books (her dad's a bibliophile), she's having trouble figuring out some very big questions, like why her dad seems to care about books more than her, why her best friend's divorced mom is obsessed with making *cascarones* (hollowed eggshells filled with colorful confetti), and, most of all, why her mom died last year. Like colors in *cascarones*, Lina's life is a rainbow of people, interests, and unexpected changes.

In her first novel for young readers, Diana López creates a clever and honest story about a young Latina girl navigating growing pains in her South Texan city.
