Issues of Life Handbook: for Traveling Lighted Pathways Carl L. Adams

Gleaned from the author's messages and sermons came the framework for the contents of this book. Its pages contain guiding light for the fundamental issues of life blended with some true-life short stories. Travel with the author through avenues of life issues addressing loneliness, forgiveness, perception, love, trust, attitudes, obstacles, character, and many others. Throughout all of these messages and stories, there will be found one single ray of light for aspiration, and that is God. Between the covers of this book can be found destiny's horizon; faith for the hopeless, hope for the weary, and purpose for lost souls.
