Jihad in Islamic History: Doctrines and Practice Michael Bonner

What is jihad? Does it mean violence, as many non-Muslims assume? Or does it mean peace, as some Muslims insist? Because jihad is closely associated with the early spread of Islam, today's debate about the origin and meaning of jihad is nothing less than a struggle over Islam itself. In *Jihad in Islamic History*, Michael Bonner provides the first study in English that focuses on the early history of jihad, shedding much-needed light on the most recent controversies over jihad.

To some, jihad is the essence of radical Islamist ideology, a synonym for terrorism, and even proof of Islam's innate violence. To others, jihad means a peaceful, individual, and internal spiritual striving. Bonner, however, shows that those who argue that jihad means only violence or only peace are both wrong. Jihad is a complex set of doctrines and practices that have changed over time and continue to evolve today. The *Quran's* messages about fighting and jihad are inseparable from its requirements of generosity and care for the poor. Jihad has often been a constructive and creative force, the key to building new Islamic societies and states. Jihad has regulated relations between Muslims and non-Muslims, in peace as well as in war. And while today's "jihadists" are in some ways following the "classical" jihad tradition, they have in other ways completely broken with it.

Written for general readers who want to understand jihad and its controversies, *Jihad in Islamic History* will also interest specialists because of its original arguments.

From reader reviews:

Garnet Veach:

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each book has different aim or maybe goal; it means that guide has different type. Some people truly feel enjoy to spend their time and energy to read a book. They may be reading whatever they take because their hobby is definitely reading a book. What about the person who don't like examining a book? Sometime, individual feel need book when they found difficult problem or perhaps exercise. Well, probably you'll have this Jihad in Islamic History: Doctrines and Practice.

Sergio Hawkinson:

Nowadays reading books become more and more than want or need but also get a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The info you get based on what kind of e-book you read, if you want attract knowledge just go with education and learning books but if you want really feel happy read one together with theme for entertaining such as comic or novel. Often the Jihad in Islamic History: Doctrines and Practice is kind of book which is giving the reader capricious experience.

Charles Branch:

Spent a free time to be fun activity to try and do! A lot of people spent their down time with their family, or their particular friends. Usually they doing activity like watching television, going to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your free time/ holiday? May be reading a book might be option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to consider look for book, may be the publication untitled Jihad in Islamic History: Doctrines and Practice can be great book to read. May be it is usually best activity to you.

Thomas Williamson:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Jihad in Islamic History: Doctrines and Practice can make you experience more interested to read.
