Milady's Master Educator fills a void in the education of instructors of cosmetology, barber-styling, esthetics, nail technology, and massage. Those studying to be instructors will use the CD-ROM while learning the profession. It will later serve as a resource during their teaching careers. The forty video clips found on the CD-ROM are reproduced from the eight video tapes that are part of Milady's Master Educator program. These clips serve to reinforce recommended concepts and methodology. Exam review questions, complete with rationales for correct and incorrect answers, aid students as they prepare for licensing. The CD-ROM helps to maintain and rekindle that fresh student perspective and serves as inspiration to the practicing teacher.
