Queering Christianity: Finding a Place at the Table for LGBTQI Christians Robert Everett Shore-Goss, Thomas Bohache, Patrick S. Cheng, Ramona Faye West

Through essays by noted lesbian, gay, bisexual, transgender, queer or questioning, and intersex (LGBTQI) religion scholars, this important compilation summarizes the history and current status of LGBTQI theology, exploring its relationship to the policies, practices, and theology of traditional Christianity. Contributors contrast the "radically inclusive" thinking of LGBTQI theology with the "exclusivity" practiced by many Christian churches, explaining the reasoning of each and clarifying contentious issues. At the same time, the book highlights ways in which "queer" theology and practice benefit Christian congregations.

Writing from the perspective of grassroots Christian LGBTQI movements, many of the contributors draw upon their own experiences. They provide graphic examples of the effects exclusion has on individuals, congregations, and denominations, and also share examples of inclusion and its effects. Equally important, the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology, offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices.
