Sepher Raziel?also called *Liber Salomonis*?is a full grimoire in the Solomonic tradition from a sixteenth century manuscript. It contains seven books: the *Clavis*, concerned with astrology and its use in magic, with precise interactions between planets, Signs, and Houses; the *Ala*, outlining the magical virtues of stones, herbs, and animals; the *Tractatus Thymiamatus*, which determines perfumes and suffumigations used in the Art; a *Treatise of Times* detailing the correct hours of the day for each operation; a *Treatise on Preparations* on ritual purity, and abstinence; *Samaim*, on the different heavens and their angels; and finally, a *Book of Names* and their virtues and properties, being seven semiforas of Adam and seven semiforas of Moses.

The *Sepher Raziel* text is given in two forms: a literal transcription with no changes in spelling or wording and a modern English version.

This volume also includes a foreword which offers an overview of Raziel manuscripts, which represent a number of independent traditions, an essay on the literature of Solomonic magic in English, an introduction to the *Sepher Raziel* manuscript presented, an appendix on incense nomenclature as a supplement to *Tractatus Thymiamatus*, a list of printed notices and manuscript sources of *Sepher Raziel*, and a full bibliography of printed works on Solomonic magic and items of related interest.
