Confessions of a Yakuza

Junichi Saga

Confessions of a Yakuza Junichi Saga

This is the true story, as told to the doctor who looked after him just before he died, of the life of one of the last traditional yakuza in Japan. It wasn't a "good" life, in either sense of the word, but it was an adventurous one; and the tale he has to tell presents an honest and oddly attractive picture of an insider in that separate, unofficial world.

In his low, hoarse voice, he describes the random events that led the son of a prosperous country shopkeeper to become a member, and ultimately the leader, of a gang organizing illegal dice games in Tokyo's liveliest entertainment area. He talks about his first police raid, and the brutal interrogation and imprisonment that followed it. He remembers his first love affair, and the girl he ran away with, and the weeks they spent wandering about the countryside together. Briefly, and matter-of-factly, he describes how he cut off the little finger of his left hand as a ritual gesture of apology. He explains how the games were run and the profits spent; why the ties between members of "the brotherhood" were so important; and how he came to kill a man who worked for him.

What emerges is a contradictory personality: tough but not unsentimental; stubborn yet willing to take life more or less as it comes; impulsive but careful to observe the rules of the business he had joined.

And in the end, when his tale is finished, you feel you would probably have liked him if you'd met him in person. Fortunately, Dr. Saga's record of his long conversations with him provides a wonderful substitute for that meeting.

From reader reviews:

Viola Waters:

Book is definitely written, printed, or created for everything. You can know everything you want by a book. Book has a different type. As we know that book is important point to bring us around the world. Beside that you can your reading ability was fluently. A book Confessions of a Yakuza will make you to possibly be smarter. You can feel a lot more confidence if you can know about everything. But some of you think this open or reading some sort of book make you bored. It is far from make you fun. Why they may be thought like that? Have you looking for best book or ideal book with you?

Jerry Carley:

What do you ponder on book? It is just for students because they're still students or that for all people in the world, the particular best subject for that? Just you can be answered for that question above. Every person has diverse personality and hobby for each other. Don't to be pressured someone or something that they don't wish do that. You must know how great and also important the book Confessions of a Yakuza. All type of book could you see on many resources. You can look for the internet options or other social media.

Cheri Turner:

Nowadays reading books are more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The info you get based on what kind of guide you read, if you want attract knowledge just go with education and learning books but if you want really feel happy read one with theme for entertaining like comic or novel. The actual Confessions of a Yakuza is kind of guide which is giving the reader unstable experience.

Jordan Moore:

Do you have something that you prefer such as book? The guide lovers usually prefer to decide on book like comic, short story and the biggest the first is novel. Now, why not seeking Confessions of a Yakuza that give your entertainment preference will be satisfied simply by reading this book. Reading behavior all over the world can be said as the way for people to know world much better then how they react in the direction of the world. It can't be claimed constantly that reading addiction only for the geeky man but for all of you who wants to become success person. So , for all of you who want to start reading through as your good habit, you could pick Confessions of a Yakuza become your personal starter.
