After a long day at the fair George is frustrated. It seems he is always too small! But when George falls asleep and wakes up BIG, he discovers being too large can be difficult, too, and maybe he's the right size after all. The adventures of Curious George continue in an all-new series beginning in fall 1998 with eight new stories. Written and illustrated in the style of Margret and H. A. Rey, the books appear in paperback (8 x 8") and hardcover editions and feature the art of Vipah Interactive, the animators of HMI's Curious George CD-ROMs.
