"Everything great in history has been built by people who dreamed of a bigger future. I loved reading Go Forth with Hearts on Fire. It is profound and practical. I hope the whole diocese gathers around Bishop Loverde to bring this bold vision to life." -- Matthew Kelly, founder of DynamicCatholic.com

In *Go Forth with Hearts on Fire*, Bishop Paul S. Loverde challenges all of us to realize that we are meant to be evangelists, no matter what our state in life or profession may be. This compelling pastoral letter invites us to refocus our lives on Christ. In deepening our relationship with Him, we will be more joyful and effective witnesses to His love and mercy to those we meet day-to-day.

"I will admit, growing up," writes Bishop Loverde in this warm and personal pastoral letter, "I never thought much about the notion of evangelizing."

Loverde highlights the most common excuses we make to avoid evangelizing and offers suggestions on how to overcome them. Offering concrete and practical solutions, he shows how natural and easy it is to share the Good News at our dinner tables, places of work, and in our neighborhoods. Evangelization, he says, is pivotal, leading to both our own spiritual growth and that of others. The letter even includes a study guide to help groups and individuals ponder this message more deeply and apply it to their own lives and circumstances.

*Go Forth with Hearts on Fire* will challenge and inspire you. It may be just the push you need to start a fire in your—or someone else's—heart.
