In the late 70s, early 80s, the subject of Satanism and Satanic Ritual Abuse (SRA) was making headlines across the land. Mike Warnke, Lauren Stratford, Rebecca Brown and others came forward with harrowing tales of their own involvement in Satanism. Though others began to come forward with similar horrific tales, due to the efforts of a few staff writers at Cornerstone Magazine who set out to debunk it, the entire topic died virtually overnight. No longer did anyone feel comfortable discussing it for fear of being cast as a lunatic or worse. Roughly forty years later in 2010, the level and intensity of Satanic evil is once again on the rise and has become far more blatant. Where are the naysayers now? Why was it summarily squelched then, but becoming accepted now? Is there a connection? We know without doubt that Satan has worked for thousands of years to perfect His strategies; engaging, ensnaring, and ultimately controlling people for his purposes. Those strategies work themselves out in a variety of ways, some of them extremely difficult to believe, all of them sick, demented, and vile. Christians need to wake up to the fact that wars rage all around us constantly. Certainly, God has already won the battle; however, each individual Christian is responsible for his or her part in that war. Do you know what the enemy is doing? Are you aware of how his tendrils have forced their way into every aspect of our society? Are you also aware that souls hang in the balance? Get up, open your eyes, and prepare to take on the enemy with God's strength and in His armor. It is a victory that is already ours!
