The Handbook of Social Policy

The Handbook of Social Policy

The Handbook of Social Policy is a comprehensive examination of the development, implementation and impact of social policy. The international team of contributors documents the substantial body of knowledge about government social policies and the forces which drive it. The book defines social policy, examines the history of social policy, discusses social services, explores the political economy of social policy, views American social policy in an international context, and speculates on the future of social policy.
