*Gabriel García Márquez*

**Cien años de soledad (Spanish Edition)** Gabriel García Márquez

“Muchos años después, frente al pelotón de fusilamiento, el coronel Aureliano Buendía había de recordar aquella tarde remota en que su padre lo llevó a conocer el hielo”.

Con estas palabras empieza una novela ya legendaria en los anales de la literatura universal, una de las aventuras literarias más fascinantes del siglo xx. Millones de ejemplares de **Cien años de soledad** leídos en todas las lenguas y el Premio Nobel de Literatura coronando una obra que se había abierto paso a “boca a boca” —como gusta decir el escritor— son la más palpable demostración de que la aventura fabulosa de la familia Buendía-Iguarán, con sus milagros, fantasías, obsesiones, tragedias, incestos, adulterios, rebeldías, descubrimientos y condenas, representaba al mismo tiempo el mito y la historia, la tragedia y el amor del mundo entero.
