Own The World Andrew Craig

Have you been meaning to sort your finances out but kept putting it off? Perhaps you have had a bad experience with financial advice in the past? Own The World shows you why you can and should invest your own money and highlights the significant advantages you have over most finance professionals. The knowledge needed to make a huge difference to your money is not that complicated, just very poorly distributed throughout the population. You will see how successful investment can turn hundreds into millions thanks to the power of compound interest, something Einstein described as "The Eighth wonder of the world". It has never been more important to take charge of your financial affairs. Fortunately the tools available to you have never been more powerful or inexpensive. Own The World shows you where to go and what to do to make the very best of your personal finances... In the interests of full disclosure: Please be aware that this first edition of Own The World is aimed primarily at the UK market. The great majority of the message is relevant to you no matter where you live as there will be a way of implementing the book's ideas in your home country. We intend to publish future editions of the book with more specific advice for people based in the US, Canada, Australia and elsewhere. You will still be able to get a great deal from the current edition, however.
