**A Poetic Soul Shined Of Genocides** Sylva Portoian

These are real stories from my grandmother of known genocides still epidemically invading and crushing the principles of human rights.

**Let us help every soul who speaks in a true voice.  
In terrains where flesh decays, uncanned, and  
Recognition of human rights is mightily unjust,  
Since all related crimes are committed  
By vicious Hands of vile minds.**
