The past year, filled with an overwhelming number of heartwrenching events, has hurled Sierra into a seemingly endless spell of writer's block. To make matters worse, she has completely lost her faith in finding true love. She has resigned herself to the belief that happy endings happen only in works of fiction?until Asha Amin, a dashingly beautiful and mysterious woman, enters her life. As the icicles around her heart begin to melt, Sierra knows she has to confront the demons of her past and come to terms with her feelings for Asha. While Sierra works on overcoming the tragedies of her past, a woman from Asha's tries desperately to keep the two of them apart. Will Sierra and Asha allow their blossoming relationship to be buried beneath an avalanche of prior betrayals? Will each realize in time that her soul's companion is the other? Or will they lose each other forever due to senseless pride? It all hangs in the balance as Sierra and Asha decide whether a season of change is worth a lifetime of possibility.
