As many know, Game of Thrones takes its story from many influences: the War of the Roses, Catherine de Medici, Norse and Celtic myth as well as medieval ballads. Modern readers find parallels with politics, the corporate world, and conflict in Iraq and Afghanistan. Will the story end like Lord of the Rings or completely invert it? How about King Arthur? Pop culture and parody author Valerie Estelle Frankel examines the sources and predicts a Game of Thrones ending for each one. What will the Ragnarok ending look like? Or the Narnia ending? Who will live, who will die, and how goofy can the war of ice and fire possibly get?
