**The Dark Side of Camelot By Seymour M. Hersh** -Author-

THE DARK SIDE OF CAMELOT by Seymour M. Hersh, Little Brown and Company, 1997, First Edition, First Printing. This is a Collectible, Hardcover Book and Dust Jacket. Jack Kennedy had it all. And he used it all - his Father's fortune, and his own beauty, wit, and power - with a heedless, reckless daring. There was no tomorrow, and there was no secret that money and charm could not hide. In this groundbreaking book, award-winning investigative journalist Seymour M. Hersh shows us a John F. Kennedy we have never seen before, a man insulated from the normal consequences of behavior long before he entered the White House. His Father Joe, set the pattern with an arrogance and cunning that have never been fully appreciated: Kennedys could do exactly what they wanted, and could evade any charge brought against them. The Kennedys wrote their own moral code. Simply Fascinating!
