Treating the Self: Elements of Clinical Self Psychology

Ernest S. Wolf MD

Treating the Self: Elements of Clinical Self Psychology Ernest S. Wolf MD

Now available in paper for the first time, this classic text is about how an analyst analyzes. Rooted in the theory of psychoanalytic self psychology as put forth by Heinz Kohut and his colleagues, *Treating the Self* focuses on the application of the self-psychological concept of the psyche to the actual conduct of psychoanalytic treatment. The result is not a "how-to" approach, but rather a volume that suggests a theory of treatment and offers guidelines for creative ways of thinking about therapy. Written by Ernest Wolf, a close collaborator of Heinz Kohut, this is a personal account of the process of self psychology presented by one of the foremost experts in the field.
