Day Hikes Around Big Sur: 99 Great Hikes Robert Stone

Big Sur is an awesome stretch of spectacular coastline in Central California. The Santa Lucia Mountains quickly rise over 5,000 feet from the ocean. This magnificent landscape begins near Carmel at Point Lobos State Reserve and extends 75 miles south to Ragged Point in San Luis Obispo County, just south of the Monterey County line. The steep coastal mountain range and rugged shoreline isolate the Big Sur country, which maintains an unspoiled, rustic charm and relaxed, leisurely pace.

This completely revised and updated edition of *Day Hikes Around Big Sur* includes 99 great day hikes along the coast and throughout the interior mountains. Hikes, which take from one hour to all day, range from easy beach strolls to strenuous mountain climbs with panoramic coastal vistas. The diverse terrain is a hiker's paradise with a well-designed trail system of more than 300 miles. The network of trails venture into the beautiful canyons and across the slopes and peaks, offering unparalleled views of the mountains merging with the coastline. Along Highway 1 are endless views of the scalloped coastline and the deep blue Pacific. Awe-inspiring bridges span numerous creeks and deep canyons. Highlights along the miles of trails include isolated beaches, eroded coves with tide pools, rugged marine terraces, redwood and Monterey cypress groves, shady canyons, waterfalls dropping into mossy glens, lighthouses, and vertical cliffs with crested ridges.

Statistics, accurate driving and hiking directions, and numerous maps make these hiking adventures stress free. Dog admission information is included. Most trails can be accessed from Carmel Valley Road or Highway 1, including many beach access points.

Companion guides include *Day Hikes Around Monterey and Carmel* and *Day Hikes On the California Central Coast*.
