Boys aren't the only ones who read comics—girls do too! From Betty and Veronica to Slutburger and Art Babe, *Girls to Grrlz* explores the amazing but true history of girl comics. Pop culture fans will delight in author Trina Robbins's chronological commentary (with attitude) on the authors, artists, trends, and sassy, brassy characters featured in comic books for the last half-century. Meet the bubble-headed bombshells of the '40s, the lovelorn ladies of the '50s, the wimmin libbers of the '70s, and the grrrowing grrlz of today. Her commentary is paired with a ton of rare comic book art pulled from the best girl comics published since World War II. Bridging the gap between *Ms.* and *Sassy*, between Miss America and Naomi Wolf, *From Girls to Grrlz* reminds us how comic book characters humorously—and critically—reflect our changing culture.
