## **Discover Facebook Marketing Secrets To Profitable Advertising Campaigns**

If you want to tap into Facebook's endless stream of traffic and capture your ideal customers at a profit then this will be the most important book you'll read. Here's why.

I struggled to get ads that would turn a profit. I used to pay way too much (without knowing) and wonder where my ad budget went. I'd wonder why I'd only get a few leads or only get leads that would not buy! It was heart-breaking to see campaign after campaign fail.

Luckily, I discovered little-known marketing strategies that finally lead to Facebook Advertising success.

There's no need for crazy tricks that can get you banned or rules that are too hard to follow.

Instead, you'll discover Facebook marketing secrets to create profitable advertising campaigns at will. And the good news is that this is ethical, sustainable and Facebook compliant!

## Here's What You'll Discover Inside...

- **How to get Facebook to target "clones" of your most responsive buyers so you don't waste your ad spend on freebie seekers**
- The one option you must ALWAYS select so your advertising is much more profitable
- **The hardly known method you must follow to creating a list of buyers from scratch in new markets on Facebook**
- The strategy that allows you to post ads without them being seen on your Facebook Page Feed so your entire audience doesn't get tired of your ads
- **The type of ad copy that Facebook LOVES that will allow you to get your ads approved all the time**
- The one thing you must NEVER write in your ads - Facebook HATES this and will ban your account
- **How to get 2% CTR and Higher! Plus, how to bring your ad costs down!**
- The two Facebook tools you MUST use if you REALLY want to boost your profits.
- **And more!**
