Midnight Harmonies, Or, Thoughts for the Season of Solitude & Sorrow Octavius Winslow

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1858 edition. Excerpt: ... realize that, in a little while,--O how soon!-- the day will break,--the shadows will flee away,--and we shall bathe our souls in heaven's full, unclouded, endless light. ' Absent from the body,' we shall be ' present with the Lord.' To the consideration of this deeply interesting subject let us for a few moments, in conclusion, bend our thoughts. We have already considered the nightseason of travel as constituting a great portion of the celestial pilgrimage of the saints. Solomon, in the sacred Idyl from which we have selected the sublime stanza at the head of this chapter, again 'recalls our thoughts to this point. He refers to the "shadows" which gather round the pathway of the believer on his way to the eternal city. Nor is this an exaggerated description of the reality. The portrait of the Christian's life has its lights, bright and glorious: but it also has its shadows, deep and long; and both the light and the shade are essential to the perfection of the picture. "We have emerged, beloved, in our conversion, from the scene of shadows. Divine and sovereign grace has chosen and called us out of a world over which the funeral pall of the ' darkness of the shadow of death' spreads its broad mantle. " Darkness covers the earth, and gross darkness the people." The natural sun illumines,--its beams of light and splendor streaming alike through the windows of the palace and the lowly cot; but until Jesus, the Sun of Righteousness, is revealed and known, neither 'those who dwell in kings' houses,' nor those who occupy the humblest cottage on the hillside, are guided to eternity by a single ray from heaven! Now, seeing that the path of the " child of the light" lies through this dark world, it is no marvel if shadows, often varied and...
