## **The Kid Who Ran for President** Dan Gutman

The return of Dan Gutman's sharp, funny farce about the youngest candidate to ever run for President of the United States -- updated just in time for the 2012 election!

"Hi! My name is Judson Moon. I'm twelve years old and I'm running for President of the YOU-nited States."

That's how I introduced myself to about a zillion people. I must have kissed a zillion babies, said a zillion hellos, shaken a zillion hands . . . Will I get a zillion votes? The answer might surprise you.

Can you picture a kid as President? Imagine what we can accomplish -- together -- in a country where parents listen. Where teachers give no homework. Where every lawmaker obeys a single kid -- me! How am I going to pull this off? Who knows! Read the book to find out.
