## **Industrial Organization in Context** Stephen Martin

Written by one of the world's leading academics in the field, *Industrial Organization in Context* provides a truly international, balanced perspective on EU competition policy and US antitrust policy. This innovative text includes exciting contemporary topics not covered in other books in the field, such as contestable markets and experimental economics. Furthermore, the text is designed to allow instructors to teach from a US and/or European perspective. The supporting Online Resource Center further accommodates the instructor, offering an Instructors Manual and PowerPoint Slides.
