Massage Therapy Review: Passing the NCETMB, NCETM, and MBLEx Laura Abbott

Massage Therapy Review: Passing the NCETMB, NCETM, and MBLEx Exams is designed to help massage therapists prepare for the National Certification Exam for Therapeutic Massage and Bodywork (NCETMB), the National Certification Exam for Therapeutic Massage (NCETM), and the Massage & Bodywork Licensing Examination (MBLEx). The exam reviews are a thorough study of a broad range of material. New graduates find the exams stressful, as they must pass in order to practice as a licensed professional in most states. This is the only review text that offers questions, answers, and explanations in the same form and organization as the exam itself. 7 full practice exams of 150 questions are available online, 2 of which are timed to simulate the real testing environment. A high first time fail rate combined with the fact that graduates must pass this exam in order work as a professional, makes Massage Therapy Review: Passing the NCETMB, NCETM, and MBLEx Exams the right choice. The text is richly illustrated and includes mnemonic devices to aid the learning process, test taking tips, a Prep Course Outline, a 200-page Anatomy and Physiology Outline, and a CD containing 980 test questions provides a comprehensive review presented in a clearly written style.
