Romeo and Juliet (The Annotated Shakespeare)

William Shakespeare

Romeo and Juliet (The Annotated Shakespeare) William Shakespeare

Shakespeare's *Romeo and Juliet* is perhaps the most read and beloved of all stage works. Now the most extensively annotated version of the play to date makes it completely accessible to readers in the twenty-first century. The new edition is a rich resource for students, teachers, and the general reader.

Eminent linguist and translator Burton Raffel offers generous help with vocabulary and usage of Elizabethan English, pronunciation, prosody, and alternative readings of phrases and lines. His on-page annotations provide readers with the tools they need to comprehend the play and begin to explore its many possible interpretations. This version of *Romeo and Juliet* is unparalleled for its thoroughness and adherence to sound linguistic principles.

In his introduction, Raffel provides historical and social contexts that increase the reader's understanding of the play. And in a concluding essay, Harold Bloom argues that *Romeo and Juliet* is unmatched in the world's literature "as a vision of an uncompromising love that perishes of its own idealism and intensity."
