Truman

David McCullough

Truman David McCullough

The Pulitzer Prize–winning biography of Harry S. Truman, whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War, told by America’s beloved and distinguished historian.

The life of Harry S. Truman is one of the greatest of American stories, filled with vivid characters—Roosevelt, Churchill, Stalin, Eleanor Roosevelt, Bess Wallace Truman, George Marshall, Joe McCarthy, and Dean Acheson—and dramatic events. In this riveting biography, acclaimed historian David McCullough not only captures the man—a more complex, informed, and determined man than ever before imagined—but also the turbulent times in which he rose, boldly, to meet unprecedented challenges. The last president to serve as a living link between the nineteenth and the twentieth centuries, Truman’s story spans the raw world of the Missouri frontier, World War I, the powerful Pendergast machine of Kansas City, the legendary Whistle-Stop Campaign of 1948, and the decisions to drop the atomic bomb, confront Stalin at Potsdam, send troops to Korea, and fire General MacArthur. Drawing on newly discovered archival material and extensive interviews with Truman’s own family, friends, and Washington colleagues, McCullough tells the deeply moving story of the seemingly ordinary “man from Missouri” who was perhaps the most courageous president in our history.

From reader reviews:

Dominique Rigney:

What do you concerning book? It is not important along with you? Or just adding material when you need something to explain what your own problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have time? What did you do? Everybody has many questions above. They need to answer that question due to the fact just their can do that will. It said that about book. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need this specific Truman to read.

Ronda Tollison:

Playing with family within a park, coming to see the water world or hanging out with buddies is thing that usually you have done when you have spare time, and then why you don't try issue that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Truman, you could enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't get it, oh come on its identified as reading friends.

David Peacock:

Reading a book being new life style in this year; every people loves to read a book. When you read a book you can get a large amount of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you need to get information about your examine, you can read education books, but if you want to entertain yourself you can read a fiction books, this sort of us novel, comics, along with soon. The Truman provide you with a new experience in studying a book.

Ann Craft:

That publication can make you to feel relax. That book Truman was multi-colored and of course has pictures around. As we know that book Truman has many kinds or category. Start from kids until teens. For example Naruto or Investigator Conan you can read and believe that you are the character on there. Therefore not at all of book are usually make you bored, any it makes you feel happy, fun and relax. Try to choose the best book in your case and try to like reading that.
