Baptism: Christ's Act in the Church Laurence Hull Stookey

Few issues within the church are as controversial as baptism. By which method should it be administered? At what age? What if one changes denominations? Laurence H. Stookey sifts through the confusion and rhetoric to offer this practical, biblically sound guide to baptism. He examines the sacrament from historical, theological, and pastoral perspectives, and looks at how it has been altered through the ages. Dr. Stookey also suggests possible reforms, practices that need restoring, and proper occasions for the service.
