Coin folders have a long, distinguished legacy as being most people's first exposure to coin collecting hobby. Everyone either has or knows someone who has been given a coin folder as a child and gone on to fill it with cents, nickels, dimes, or quarters. The state quarter program has been one of the most successful in the U.S. Mint's history. It has brought collecting to the mainstream. Riding on the coat tails of the state quarter program, the America the Beautiful series comes at a time when the public is familiar with searching and saving quarters from circulation. A total of 56 quarters honoring a national site from each U.S. state and territory will be issued from 2010 to 2021.
