El intermediario (Spanish Edition)

John Grisham

El intermediario (Spanish Edition) John Grisham

Un hombre con una valiosísima información clasificada se convierte en el blanco de los enemigos de Estados Unidos, mientras la CIA está dispuesta a sacrificar su vida en su lucha por la seguridad nacional.

Joel Backman, uno de los abogados más poderosos de Washington, es encarcelado en una prisión federal por haber tenido acceso a información militar clasificada relacionada con unos misteriosos satélites de los que nadie conocía la existencia. Seis años más tarde recibe el indulto del Presidente. Lo que no imagina es que detrás de esta decisión se ocultan intereses de la CIA.

Con el pretexto de que la información que posee podría ganarle enemigos, el gobierno pone a su disposición un avión militar que le llevará hasta Bolonia, donde Backman tendrá que empezar a vivir bajo una nueva identidad... Al menos en teoría. En realidad, la CIA tiene intención de informar de su paradero a los servicios de inteligencia de Israel, Rusia, China y Arabia Saudí, entre otros. A partir de este momento, ya no se trata de si Backman consigue sobrevivir -esto es imposible- sino de quién le matará...

La crítica ha dicho...

«Grisham es excepcionalmente bueno.»

The Washington Post

«Ahí donde va Grisham, le siguen millones de lectores.»

New York Daily News
