Chase and his friends Nicole and Rashawn have just survived Hurricane Emily, the storm of the century, but their troubles are just beginning. Though they've made it to the safety of Nicole's family's farm -- the winter home of the Rossi Brothers Circus -- the flood waters are rising and they need to reach higher ground. The circus's lions have escaped their cages, and a mean and unpredictable jaguar is also on the loose. And then, of course, there's the problem of the wildlife preserve next door! Have Chase and his friends lived through a terrifying night only to face a new danger?
