A Practical Approach to Conveyancing Robert Abbey, Mark Richards

A Practical Approach to Conveyancing takes a pragmatic, rather than academic, approach to conveyancing. It provides practical solutions to everyday problems encountered by conveyancing practitioners wishing to offer a cost-effective and efficient service. Written by two leading authorities in the area with over 50 years' combined legal experience, A Practical Approach to Conveyancing offers a detailed and up-to-date exposition of the key principles and procedures underpinning the conveyancing process. Combining coverage of residential and commercial conveyancing, the book provides practical guidance on each stage, fully supported by realistic sample documentation, enabling the reader to approach all aspects of a conveyancing transaction with confidence. Now in its fifteenth edition, this book has firmly established itself as a core text supporting the study of the Legal Practice Course. This classic text is also essential reading for anyone involved in the conveyancing process, whether you are a trainee or qualified solicitor, legal executive, or a licensed conveyancer.
