## Forward Planning: A Basic Guide for Museums, Galleries and Heritage Organizations (Heritage: Care-Preservation-Management)

Forward planning is essential for most organizations, but especially so for museums and heritage bodies, with responsibilities stretching forward to infinity. *Forward Planning* provides a complete basic guide, from the principles on which planning is founded, through drawing up the plan itself, implementation and monitoring, through to the wider potentials that good planning permits. All the contributors to the book speak from wide practical experience. A full bibliography and suggestions for further reading are included.
