Newly republished and formatted, we proudly present the readable version of the highly successful audio version of Grin and Bare It.

Single. Female. Over 40.

What's wrong with that?

Time to stop grinning and bearing it and start grinning and BARING it!

With a smile and maybe a bite or two, Colleen shares pieces of wisdom she's gathered on her journey through Singledom after 40. Touching on everything from gender issues to bathrooms and world peace, she makes you laugh as she rants away, all the while gently pulling back the curtain on the not-so-laughable exclusions unwittingly built into our system of traditions and celebrations. Honest and frank, Colleen presents a rather unexpected commentary on the status of love ... not anger ... in the 21st century.

Solidarity for singlehood? Absolutely!

Solely for singles?

Not as much as you might think ...
