In today's parlance, smartboard is the new chalkboard, and for the profession of workplace learning and training, the new 2nd edition of the *ASTD Handbook*, launching at ASTD's International Conference & Exposition in May 2014, will drive thousands to the single best resource for every practitioner and occasional trainer. *The ASTD Handbook: The Definitive Reference for Training & Development, 2nd edition*, more than a year in the making, maintains the authority and credibility of ASTD's first Handbook (2008), incorporates the new competencies of the profession, and updates and revises content with more than 15 new chapters covering technology and application changes of the last few years. Like the first edition, supplemental tools are included to support immediate application of the book's valuable concepts. Spearheaded by expert trainer and world-renowned author, editor, and speaker Elaine Biech, this new volume from ASTD Press will lead the profession from front of the room teacher to key facilitator and organizational learning leader.
