Baller Dreams (Thug) Tasha Macklin

After graduating from High School John Dre Dodson finds his future looming before him. He is forced to make a number of decisions that will change his life. Choosing school over the mean Detroit's Eastside streets, the sudden reality of his poor circumstances make him painfully aware of the fortunes that can be made if he embarks on the career path of a hustler. Deciding that he wants to be a baller, Dre meets and forms an alliance with an older, very beautiful female named Destiny. Unbeknownst to him, she had a secret and motive that draws her to him, which causes her to assist him in making all of his plans reality. Dre and his closest friends will create a clique called the Eastside Syndicate and set a hustle in motion like Detroit has never seen. No one else in the city will be able to compete with the murder and muscle game that they release upon the streets. However, when he falls in love with another and finds himself at odds with Destiny, the beautiful temptress who helped to make his dreams come true will stop at nothing to bring Dre and the organization that he created to its knees. Dre has everything that a hustler could ever want. Only when the tide turns, he will quickly realize that the dream life he once lived was no more than a nightmare in disguise.
