Knight Stalker Lora Leigh

A centuries old vampire, or is he? Bliss St. Clair comes upon the man of her dreams as his lethally sharp teeth are biting into another woman's neck. He's a vampire. But he can walk in the daylight, a cross doesn't harm him, he's not dark and brooding, merciless or tortured. He's a charming bad boy with a rakish sense of humor and a wicked smile that heats every nerve ending in her body.

And he wants her. Not for the blood that runs in her veins, not for the essence of her soul which makes her a perfect candidate to enter his world. He wants her because the passion she arouses in him sets his heart and his soul on fire.

Now, Cadan Gaelan must protect the woman his heart has chosen from the menace of his world. The Dark Knights would tear her from him and use her for their own evil plans...unless he can convince her to accept him and the secret of his vampirism.
