## On Susan Glaspell's *Trifles* and "A Jury of Her Peers": Centennial Essays, Interviews and Adaptations Susan Glaspell

On a wharf in Provincetown, Massachusetts, where Greenwich Village bohemians gathered in the summer of 1916, Susan Glaspell was inspired by a sensational murder trial to write *Trifles*, a play about two women who hide a Midwestern farm wife's motive for murdering her abusive husband. Following successful productions of the play, Glaspell became the mother of American drama. Her short story version of *Trifles*, *A Jury of Her Peers*, reached an unprecedented one million readers in 1917. The play and the story have since been taught in classrooms across America and *Trifles* is regularly revived on stages around the world.

This collection of fresh essays celebrates the centennial of *Trifles* and *A Jury of Her Peers*, with departures from established Glaspell scholarship. Interviews with theater people are included along with two original works inspired by Glaspell's iconic writings.
