One Sarah Crossan

Tippi and Grace share everything—clothes, friends . . . even their body. Writing in free verse, Sarah Crossan tells the sensitive and moving story of conjoined twin sisters, which will find fans in readers of Gayle Forman, Jodi Picoult, and Jandy Nelson.

Tippi and Grace. Grace and Tippi. For them, it's normal to step into the same skirt. To hook their arms around each other for balance. To fall asleep listening to the other breathing. To share. And to keep some things private. Each of the sixteen-year-old girls has her own head, heart, and two arms, but at the belly, they join. And they are happy, never wanting to risk the dangerous separation surgery.

But the girls' body is beginning to fight against them. And Grace doesn't want to admit it. Not even to Tippi. How long can they hide from the truth—how long before they must face the most impossible choice of their lives?

Carnegie Medal–nominated author Sarah Crossan gives us a story about unbreakable bonds, hope, loss, and the lengths we will go to for the person we love most.

From reader reviews:

Jessie Nathan:

Book is usually written, printed, or descriptive for everything. You can understand everything you want by a guide. Book has a different type. As you may know that book is important point to bring us around the world. Close to that you can your reading ability was fluently. A book One will make you to always be smarter. You can feel a lot more confidence if you can know about everything. But some of you think in which open or reading a new book make you bored. It isn't make you fun. Why they might be thought like that? Have you trying to find best book or ideal book with you?

Kevin Caputo:

Information is provisions for folks to get better life, information currently can get by anyone in everywhere. The information can be a expertise or any news even a problem. What people must be consider when those information which is in the former life are hard to be find than now could be taking seriously which one works to believe or which one the actual resource are convinced. If you receive the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take One as your daily resource information.

Judy Brown:

As we know that book is very important thing to add our understanding for everything. By a book we can know everything we want. A book is a pair of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This publication One was filled in relation to science. Spend your free time to add your knowledge about your research competence. Some people has various feel when they reading some sort of book. If you know how big benefit of a book, you can really feel enjoy to read a e-book. In the modern era like currently, many ways to get book which you wanted.

Karen Huff:

That book can make you to feel relax. This particular book One was multi-colored and of course has pictures on the website. As we know that book One has many kinds or variety. Start from kids until youngsters. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore not at all of book tend to be make you bored, any it can make you feel happy, fun and rest. Try to choose the best book in your case and try to like reading in which.
