Decker Kenrick knows it's wrong to have feelings for his best friend's little sister, but that doesn't stop his thoughts from going down that path. No matter how hard he's tried to stay away from Miranda, once she gets her sights on him, there's no backing down.

Miranda Montgomery might be the youngest of the Montgomery clan, but that doesn't mean she doesn't know what she wants. Namely, Decker. She's loved him for as long as she can remember and won't walk away until she gives it her all.

But once they give in, not all is as it seems. Decker's father's out of jail and someone from Miranda's past isn't happy with the new relationship. Even as they start to move on and overcome their pain, they'll find that their inner obstacles are the ones they'll have to face first.
