Alpha to Omega - Journey to the End of Time Matthew A. Petti

The Greatest Story **NEVER** Told is here.

The human journey - **Alpha to Omega** - is a cycle that begins and ends with the highest level of human achievement on earth: Supreme Being. Embark on this metaphysical voyage through the ages of time and meaning - observed in relation to varying levels of knowledge and power, human nature and the enlightenment of our souls.

Matthew Petti's award-winning book provides **NEW** explanations for **UNSOLVED** ancient mysteries and fragmented ancient texts by examining them through two very important constants, which are expressed within the cryptic message of Revelation's prophecy.

Principle 1: The **INSEPARABLE** bond between past and future is the cause and effect of our beliefs and the choices influenced by them.

Principle 2: Knowledge is Power, but Absolute Knowledge (omniscience) is Absolute Power (omnipotence) - **the Power of Truth** - which constantly shapes events and circumstances to reveal the errors in our beliefs.

These and 2 other principles of "**The Metaphysics of Truth**" - the title of the author's bestselling eBook - are interwoven in the story to cleverly support new explanations for ancient mysteries while shedding new light on some of the oldest religious and historical dogma.

In **Alpha to Omega - Journey to the End of Time**, the book of Revelation serves as the unbreakable conduit - a gateway to new perspectives for the myths and ancient mysteries of our past and the secrets to its cryptic message, which stray far from the mold of centuries-old interpretation.

Readers will experience the human journey like never before. Fascinating explanations for the wondrous ancient ruins throughout the world and the mythical gods of ancient Egypt, Greece and South America are explored from a unique and very intriguing perspective.

Everything has a place in the story of Alpha to Omega. The historical significance of **Atlantis** and the **Great Pyramid** along with new concepts for **Noah's Ark**, **The Tower of Babel** and the **Ark of the Covenant** will challenge readers' preconceived religious and historical notions in a very exciting manner.

Discover the hidden Truth's of Christ's ministry, and decide for yourself whether or not the predominant religious rhetoric has stymied our Spiritual progress for centuries. Alpha to Omega is a viable and **INSPIRED** presentation, which seriously challenges mainstream's age-old stranglehold on the beliefs of those who continue in their search for God and Truth.

Ancient mysteries are the evidence to errors in our religious and historical precepts. Our beliefs and the subsequent choices create our collective destiny. Awaken to the inherited assumptions that shape our destiny with an unprecedented version of human origins and history and its implications for our future.
