Cerebus arranges for a mercenary force to attack the castle at dawn by lying to them. The next morning the hired army attacks the fortress as the Turtles, Cerebus and Renet scale the castle walls. Savanti conjures an army of undead to fight the human attackers as the heroes battle their way into the castle. Eventually the TMNT and crew make it to Romero's inner chamber, but they're quickly subdued by his magic. As Savanti ponders how to kill them, Lord Simultaneous shows up. Romero casts numerous spells in effort to defeat Simultaneous, but all his efforts are in vain. The time lord explains that the Sceptre is old technology and then displays the new trans-temporal talisman - the Digital Cosmic Quartz (a wrist watch). Simultaneous zaps Romero and he disappears. He then sends the TMNT back home and gives Cerebus the scrolls he came to the castle to get. Finally, Simultaneous returns home, where he punishes Renet by making her dust his vast library.
