International Handbook on Ageing and Public Policy (Handbooks of Research on Public Policy) Sarah Harper, Kate Hamblin

With the collective knowledge of expert contributors in the field, *The International Handbook on Ageing and Public Policy explores the challenges arising from the ageing of populations across the globe.*

With an expansive look at the topic, this comprehensive *Handbook* examines various national state approaches to welfare provisions for older people and highlights alternatives based around the voluntary and third-party sector, families and private initiatives. Each of these issues are broken down further and split into six comprehensive sections:

- Context
- Pensions
- Health
- Welfare
- Case Studies
- Policy Innovation and Civil Society

Academics interested in policy challenges for mature societies will find this *Handbook* a highly relevant reference tool. It also offers an important message for policy makers and practitioners in the field of public policy.
