Teach time in a flash with Lightning Lessons: Instant Units! This self-contained, standards-based unit teaches time through hands-on practice with mathematical content. Your class will explore seasons, months of the year, days of the week, and other comparative time units. Poster activities, inventive classroom exercises, and links to technology will keep students engaged and excited throughout the unit. This Lightning Lesson includes teacher instruction pages, reproducible student pages, vocabulary words, assessment pages and all the materials you need to teach about time.

With this Time title, your class will:

- Create a poster using their artwork to represent seasons
- Study days of the week by learning a Mother Goose poem
- Measure time using estimation and a stopwatch
- Use sequencing games to understand time concepts

Answer key included along with a time assessment rubric.
